Sixtieth Anniversary Song

(Tune: "More About Jesus")

Loyal and true to the King Street name,
Army of workers with matchless aim;
Under the Banner of the Lord,
Ready are we to do His Word.

Chorus:
On, onward forever,
On, onward forever,
Daily we'll fight the hosts of sin,
Daily our God will help us win.

Band of His workers pledged to learn,
Searching the Bible we'll discern,
Jesus, "the life, the truth, the way,"
And His commandments all obey.

Workers and leaders, let us bear
God's saving message every where,
Teaching the truth by word and deed
Till all the people hear and heed.

FOREWORD

This Anniversary Booklet was authorized by the Official Board of Administration of the King Street United Brethren Church in the regular meeting, March 2, 1938 to commemorate the sixtieth anniversary of the founding of the church and the tenth anniversary of the present pastorate. The following committee was appointed, Rev. Clyde W. Meadows, B. K. Ely, Clifford T. Rotz, L. C. Stoner, J. W. Holden, and Garnet Sites. The committee organized itself as follows: Historical materials and editing, Rev. Meadows; directory of names and addresses, L. C. Stoner and B. K. Ely; advertising, C. T. Rotz, J. W. Holden, and Garnet Sites.

The work of each part of this booklet has been carefully studied but the committee is aware that there will be errors even after every item has been checked. Any serious errors brought to the attention of the committee may be corrected in the next issue of the King St. Messenger. This booklet takes the place of the summer issues of the "Messenger" for 1938. Pictures of the building, plans, activities, teachers and officers are used wherever they could be secured. Copies of the booklet will be given to every family on the mailing list. Additional copies may be purchased at fifteen cents each.

It is expected that the advertisers in these pages will find this booklet, through its more than 2000 copies, a valuable advertising medium. The committee, however, in its own name and in behalf of the King St. Congregation wishes to thank the business men of Chambersburg for their kind words of interest and encouragement as well as their patronage. We recommend these business men to our people and ask for them your consideration when you have need of the merchandise they handle, and services they render.

We are seeking along with others to make Chambersburg a pleasant and profitable community in which to live — a community that is Christian in its attitude, practices, and service. We are glad for the splendid cooperation of the business and civic interests of the city.

The simple purpose of this booklet is to put in permanent form the historical records of the congregation and make available for members and friends the facts concerning its growth during the last sixty years, and further to stimulate greater interest and activity in the work of the Lord, through the salvation of souls and building of the Kingdom.

The Committee.

HISTORY

The King Street United Brethren Church was established by a noble band of God's servants who were loyal to the principles of the church as founded by Otterbein and Boehm. During the years 1875-78 contention arose in the congregation of the United Brethren society of Chambersburg, because of the action of the pastor, Reverend Hiram A. Schlichter, who received members of secret organizations into the church. This action though approved by the presiding elder, Reverend Z. A. Colestock, was contrary to the law and tradition of the church, and seriously violated the consciences of some of the faithful members of the congregation.

Those who opposed the pastor and presiding elder in their irregular practices were dropped from the roll of the church. Being deeply grieved at this conduct they drew up a letter addressed to the annual conference which met at Boiling Springs, Cumberland County, Pa., in February 1876, stating their grievances, and asking that a pastor be sent who would "suit a loyal U. B. congregation." This letter was signed by part of the official body and endorsed by over one hundred members. The following names familiar to many of the King Street Congregation were signed: Peter Nicklas, J. Heckman, George Bessor, Augustus Bickley, Adam Nicklas, D. W. Sollenberger, A. B. Fahnestock, and Levi Oyler.

This and other appeals seemed not to solve the difficulty, consequently a new congregation of United Brethren was organized into what was known as the Clarksville Mission, with the

sanction of the Pennsylvania annual conference in the year 1876. The society met in the home of John Heckman on Broad street for sometime and continued to grow. The church building on the northeast corner of King and Second streets was purchased from the Second Methodist Episcopal society and was entered by the congregation for the first public service on Sunday, May 5, 1878, and thus the King Street United Brethren Church was born.

At that service Reverend Walter John Fetterhoff read the 84th Psalm and Reverend J. M. Bishop preached to a crowded house. Communion services were held and the day was a glorious one. Reverend J. M. Bishop served the congregation for six years. His pastorate was one of the most successful in the early history of the congregation. Many were led to Christ under his ministry. His daughter, Mrs. D. O. Allday, is a member of the congregation at the present time.

The first official meeting of which we have record was held at the home of Father Fetterhoff by John Fetterhoff, Peter Nicklas, Levi Oyler, Sr., Augustus Bickley, Sr., D. M. Byers, John Heckman, A. B. Fahnestock, Augustus Bickley, Jr., Jacob Heckman and George Bessor. These noble men with the assistance of others did their work well.

The spirit of these early leaders of the congregation is shown by a couple of paragraphs from the final appeals from the decisions of the Quarterly and Annual Conferences of Pennsylvania to the General Conference of the United Brethren in Christ which convened at Lisbon, Iowa, May 12, 1881:

"We the brethren entering the above appeals, before proceeding to lay the record thereof before the conference, desire, on our own behalf, to promise certain things necessary to a perfect understanding of the position which we hold in this controversy. Then, in the first place, we earnestly disclaim any ill-feeling or anger toward our erring brethren, although they persecuted us and drove us from their communion because of our loyalty, but we rejoice that we were counted worthy to bear reproaches for the Master's sake. But whilst it was possible to cast us out of a congregation, it was beyond the power of man to cast us out of the Church."

"We believe in the Prince of Peace, and therefore submitted to injustices, and refused to prolong a contest which could only result in strife and bitterness. And as we could not live in harmony with our opponents, and dared do nothing less than be Christians, we bought a church on King Street (northeast corner of King and Second Streets) and have been served by United Brethren ministers up to the present and God in His wonderful goodness has prospered us exceedingly. We now have an excellent church house in a central position in our town, a membership of 180, and a Sunday School numbering 275. Indeed we have reason to rejoice; we live in peace, are humbly striving to reach the Celestial City, and with the Divine aid we hope fully to do our duty. Instead of resentments we have love for all the brotherhood, and we pray

GROUND BREAKING SERVICE MARCH 29, 1936

Those participating in the service were the pastor, Rev. Meadows; W. H. Ely, class leader of present generation; Mary Senseny, a charter member representing past generations, and Dorothy Stumbaugh, a Junior representing the future generations.

God to forgive our persecutors, as we have done."

Sixty years have passed since the day when the fathers and mothers of this congregation, for conscience-sake, entered the old King Street U. B. Church on May 5th, 1878. Not one of the charter members of the society lives today in the membership of this congregation (One charter member, Mrs. Noah Spangler, of Waynesboro, Pennsylvania, is a member of the Otterbein U. B. congregation in Waynesboro.) but the spirit of loyalty to the early principles of the church and conscience, along with a friendly and brotherly attitude toward others, still lives and the Lord is continuing to prosper the work this congregation is humbly but diligently endeavoring to do for Him.

The following were the original or charter members of the King Street United Brethren Church as organized in 1878. Rev. and Mrs. James M. Bishop, Rev. and Mrs. Peter Nicklas, Mr. and Mrs. Adam Nicklas, Mr. and Mrs. Augustus Bickley, Mr. and Mrs. Augustus Bickley, Jr., Mr. and Mrs. George Bessor, Mr. and Mrs. Noah Spangler, Mr. and Mrs. John Heckman, Mr. and Mrs. Robert Mills, Mr. and Mrs. Samuel Henneberger, Mr. and Mrs. John Fohl, Mr. and Mrs. Augustus Fahnestock, Rev. and Mrs. Jacob Nicklas, Mr. and Mrs. Levi Oyler, Rev. and Mrs. John Fetterhoff, Mr. and Mrs. Jacob Reidenbaugh, Mr. and Mrs. John

Levi Oyler presented the chairs, Otterbein Nicklas, the communion table, John Fohl, the small chair, and Amanda Coffee, the altar hymn book.

The following chart will give the pastors of the congregation during the sixty years of its history as well as a few facts of its development. In this time the congregation has been served by nineteen ministers, either as regular pastors or supplies. The facts are not all available for the period 1878 to 1889 (the society being an independent congregation was not included in any conference minutes) but Reverend J. M. Bishop served the first six years and Reverend W. O. Toby served in the other five years. There may have been others that served in this time whose names are not known. The longest pastorate, excluding the present one, was that of Reverend B. F. Blubaugh who served nine years, 1917-1926, and the shortest was that of Bishop C. A. Mummart, D. D., who served from November 28 to December 12, 1909, but resigned in favor of

Reverend William Beers, to take up the duties of editor of the Christian Conservator at Huntington, Indiana.

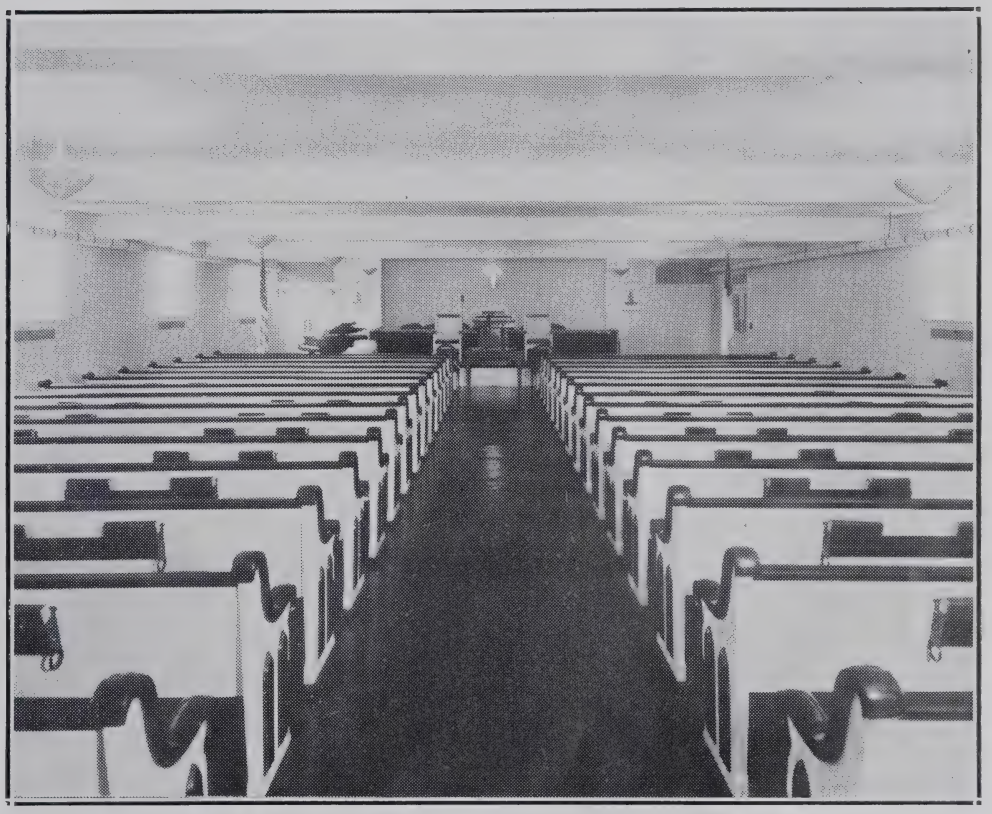
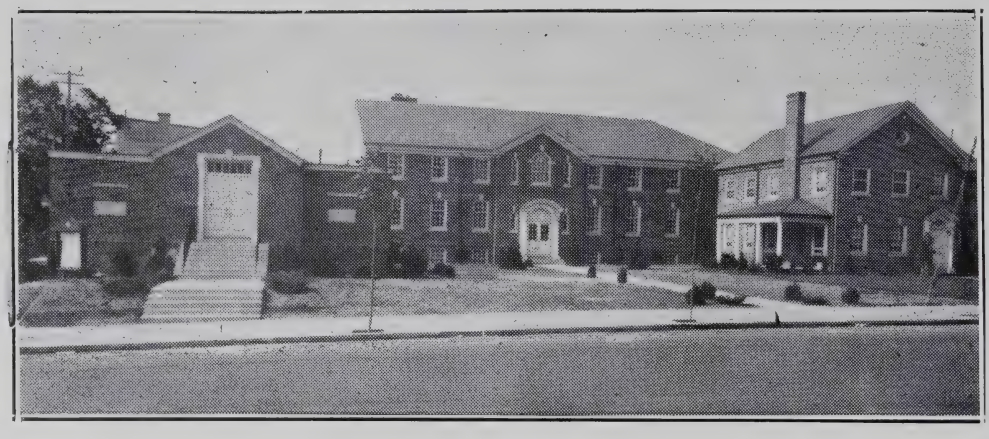
Two General Conferences have been held in the old church building of this congregation, that of 1910 and 1929, and two General Conventions of Religious Education, that of 1924 and 1931. The congregation assumed the regular and full suppurt of a missionary in Sierra Leone West Africa, Reverend D. K. Williams, since 1932. The full support of a missionary in Canton, China, Mrs. W. S. Chow, was begun in October of 1937.

CORNERSTONE LAYING JUNE 14, 1936

Picture of Present Church Auditorium



The above auditorium is the present Sanctuary, and will be the basement Sunday school room of the new church proper when it is built. This room is 40 by 70 feet and seats 450 people. Five hundred have been accommodated in it by using extra space for folding chairs. The main church auditorium when complete will seat seven hundred, because of the balcony and extended length over the coal and boiler rooms which were taken off of the basement space.



This is the picture of the building project as it appears at present. The central unit, the Sunday school building, and the parsonage to the right are complete. The building to the left is only the basement of the church. The parsonage cost $9,000, and was built in 1932. The S. S. building and church basement were built in 1936 at a cost of $38,000 plus $6,000 for equipment. The church is expected to be finished in 1942 at a cost of about $35,000. The lot on which these buildings are erected cost $17,500 in 1929. Other expenditures including architectural service, interest and miscellaneous amounted to $3,500.00, making a total investment of $74,000.00. The congregation began with $1,400.00 in the building fund in 1929, and has received in cash through personal pledges and donations, Sunday School Rally Day offerings, Young People's Council, and memorial gifts, $51,600.00. The indebtedness as of June 1, 1938 is $21,000.00.

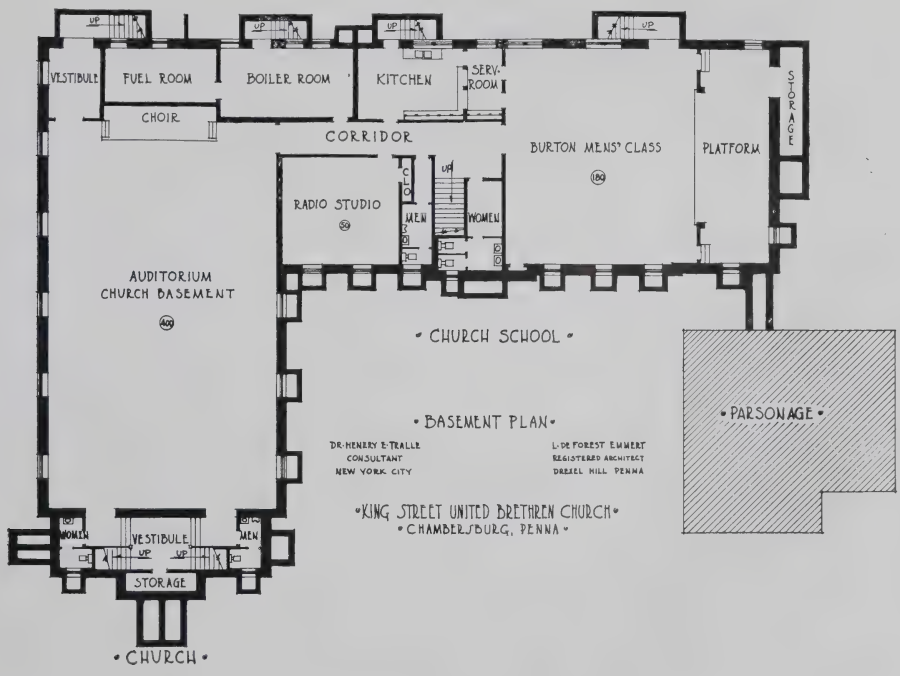
Description of Buildings

Since the United Brethren Church was founded in America, these buildings, including the parsonage, Sunday School building and church, have been designed in the spirit of the early American Colonial with every modern facility. The exterior walls are of dark red colonial brick with a slate roof. The



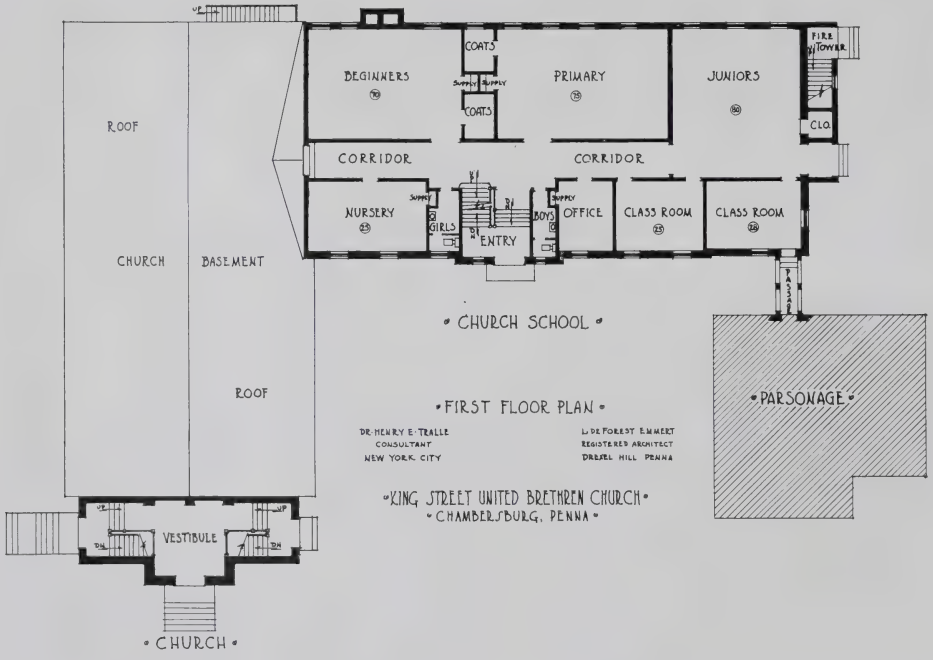
buildings are so planned and designed as to provide both utility and beauty and are in harmony with the best church thought and practice of our day.

The ground floor or basement has direct day light from large windows above ground, a floor of concrete overlaid with asphalt tile, heat from recessed radiators in the walls as is the plan all through the buildings and a forced ventilating system controlled by a thirty inch electric fan. This floor has six major rooms, the church basement auditorium, Burton Mens' Bible Class room, radio studio, kitchen, boiler room, and fuel room. The church basement auditorium, which is the present church worship room seats 400 comfortably and 500 if crowded, is also used by seven women's Sunday School classes at present.

The Burton Men's Bible Class room will seat 180 people and is used for three purposes, the mens' Bible class room, a small auditorium with stage for plays and programs by the young people, and a dining room for convention or conference gatherings

and social activities of the local congregation.

The radio studio is equipped as a regular broadcasting room with sound absorbing materials on walls, floor and ceiling as well as a control room and conduit laid in the building for proper connections. Services are not on the air at present because of the expense. The room is used by the choir and by the Buds of Promise Sunday school class.



The kitchen fully equipped, boiler room, and fuel room, are used for purposes their names indicate.

The first floor, the heart of the building, is for the Childrens' Division. This floor is all covered with a beautiful dark red velvet carpet underlaid with a heavy hair felt liner. The second floor is finished the same way. Much of the carpet price was saved by not putting down a finished floor and using the carpet and pad as insulating material. This first floor includes the four departments named on the drawing. From the Junior department up to the adults each class, representing a school grade of boys and girls, has an individual class room. On this floor the 4th grade have the room next to the church office, the 5th grade the corner room and the 6th grade remains in the Junior worship room.

The second floor is all for young people including three grades, 7th, 8th and High School freshmen in the Intermediate, and High School sophomores, juniors, seniors, young people's mixed class, and a young ladies'

class in the Senior and Young People Department.

The Junior and Intermediate worship rooms are equipped with benches or pews, but the Young People's assembly room is seated with folding chairs, and has a real fireplace so it can be arranged for worship or fellowship meetings around the fireside.

The Sunday school building will accommodate about 700 but is so arranged that by the "platoon plan" or alternating class sessions and worship periods the capacity could be greatly increased. By this plan some classes would be in session while other groups were worshiping and then exchange places at the half-way bell or signal.

There are toilets and wash rooms and drinking fountains on each floor. The windows are all equipped with draw string curtains, and service boxes are set in the wall of each room in order that the secretary of the Sunday school can get the offering and report without disturbing the class. The Sunday school building and parsonage are connected by an inclosed passage way. Class rooms are equipped with tablet arm chairs varying in size to meet the needs of the different age groups.

HOW TO BECOME A CHRISTIAN

A person becomes a Christian —is saved, by meeting the simple conditions that God has stated clearly in His Word.

1. Hear His Word.—We must find the Truth and allow the Truth to find us. —His Word is Truth. "He that heareth my word, and believeth on him that sent me hath everlasting life." John 5:24, Romans 10:14.

2. The second step is repentance. This is the act of turning away from sin and evil and turning to God through Christ, born of Godly sorrow for our sins against Him, and is accompanied by a willingness on our part

to make our wrongs right as far as is in our power. John the Baptist preached repentance and Jesus emphasized it. "Repent ye; for the kingdom of heaven is at hand. Matt. 3:2, 8. Mark 1:14-15. Acts 3:19. 2 Cor. 7:10. Luke 15:11-24.

3. Prayer.—The Lord does not force His way into our hearts. We must ask for his forgiveness and salvation, and invite him to come into our hearts and lives. "Ask and it shall be given you." Matt. 7:7. Rom. 10:13.

4. Receive Christ.—Closely associated with prayer is the opening of the heart's door to receive Christ. "To as many as received him (Jesus Christ) to them gave He power to become the sons of God." John 1:12. What does it mean to receive Jesus? Remem-

ber that when He comes in, evil must go out. You receive Christ into your heart and life, as a bride and groom at the sacred marriage altar receive each other. It is a heart contract, and down through the years they reckon that each one belongs to the other. Rev. 3:20.

5. Faith-belief.—The greatest verse in the Bible says "God gave his son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16. John 3:36. Jesus speaks plainly on the subject, "Verily, verily I say unto you he that heareth my word and believeth on him that sent me **hath** everlasting life and shall not come into condemnation but is passed from death unto life." John 5:24. What does it mean to believe? You believe on the bank when you put your money under the wicket window. You believe on the railroad company when with ticket in hand you step aboard the train. In the same manner you believe on Jesus Christ when in your heart you look into His face and say, " 'Here Lord I give myself to Thee, 'tis all that I can do.' I give Thee the throne in my heart to care for and rule my life." Acts 16:31.

6. Confession. — The acceptance of Christ as Saviour and Lord, while an intensely personal experience, can not be kept a secret. Confession involves two things; first confession of our sins; "If we confess our sins he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness." I John 1:9, and second, confession of our Christ, "If thou shalt confess with thy mouth the Lord Jesus and believe in thine heart that God hath raised Him from the dead thou shalt be saved." Rom. 10: 9-10. Matt. 10:32-33.

If any one meets these simply stated requirements, even though they involve all there is of a person, he is saved, "born again," by the grace of Christ on the authority of His Word, regardless of how he feels or what anybody says to the contrary. He can keep saved by maintaining the same attitude and going out to live and labor for the Lord.

HOW TO LIVE
THE CHRISTIAN LIFE

1. Study: Study the Bible for this is God's message to you. Let God talk to you each day, and find your place in Sunday School and Church on Sunday. I Pet. 2:2.

2. Pray: Talk to God about every problem that faces you in life, and thank Him for His blessings. Luke 18:1. John 15:7.

3. Work: A child could not live without exercise, much less grow strong. The Lord has been very gracious to us in giving us work to do. Mark 16:15. Acts 1:8. What can we do? We can win souls, Prov. 11:30, Luke 14: 23, join a church and attend its services, Heb. 10:25, and give of our substance to the support of God's Cause, I Cor. 16:2, Matt. 23:23.

4. Trust: Whatever comes to you never let your confidence in the Lord waver. It is well to stay away from temptation as much as possible, but with all your care temptations and trials will come. Remember that, "all things work together for good to them that love God." Rom. 8: 28, I Cor. 10:13, Psa. 125:1.

HOW TO UNITE WITH THE CHURCH

Reception of Members—When at any time a person presents himself for membership in our church, the preacher shall, in the hearing of the congregation read the following: As a church we believe in the Deity of Jesus Christ; the regeneration of the soul; growth in grace and knowledge of the truth; perseverance in Christian service. It is the duty of all members of the church, to pay to all the financial interests of the church, in proportion to their ability, as God has prospered them; for the Lord hath ordained that they who preach the Gospel shall live by the Gospel. (I Cor. ix: 14; I Tim. v: 18.) We urge our people to comply with the teaching of the New Testament in the matter of giving an amount equal at least to one-tenth of their income. We have no connection with secret combinations, nor have we sympathy with loose views concerning divorce and intemperance. Our beliefs are further indicated by the questions which follow.

Questions to Applicants — Do you believe the Bible to be the word of God, and that therein only is revealed the knowledge of the way of salvation?

Have you experienced the forgiveness of your sins, and have you now peace with God?

Are you determined by the grace of God to follow Christ, renouncing the world and all ungodliness, seeking to lead a life of holiness and devotion to God and His Cause?

Are you willing to be governed by our church discipline, and to give of your means to the support of the various interests of this church according to your ability?

Have you received water baptism? If not, are you willing to be baptized at your earliest convenience?
